May 23, 2022

To our local North Lakeland School Friends and Supporters,

This year the Manitoish Waters Women's Service League will assume responsibility for the annual **School Supply Drive** to benefit North Lakeland School, partnering with last year's coordinators at The Northwoods Review. We would like to request your support of this important community and family initiative.

The 2021 **School Supply Drive** generated over \$13,500 in supplies and monetary donations. These donations provided supplies for every student at NLS.

Did You Know?

- Annual enrollment at NLS hovers around 150 students
- Each year between 40-50% of the students at NLS qualify for the free and reduced-cost meal program
- Annual cost for required supplies is over \$100 per student

What Can You Do to Help?

- Make a monetary donation:
 - Mail cash or check to address listed in the column on the left
 - Use the QR code on the left to donate via Venmo
- Donate needed supplies (see enclosed list):
 - Drop off at bins located at local businesses/Chamber offices
 - Request that we pick-up your donation
- Post the enclosed flyer at your business

Fundraising Goal:

The Manitoish Waters Women's Service League goal this year is to raise \$15,000 in supplies and monetary donations.

Your donation to the **School Supply Drive** will make a powerful difference in the lives of families who need our help. Please contact us with any questions that you have regarding the drive.

With much appreciation,
The Manitoish Waters Women's Service League
